

The Company

BSN medical is a global medical device company - and one of the world's leading suppliers in the product segments of casting, bandaging, traditional wound care and compression stockings.

Several of our well-known brands – **Gypsona®**, **Orthoglass®**, **JOBST®**, **Radiante®**, **Deltacast®**, **Tricodur®** and **Leukoplast®** – are among the most trusted names in the healthcare profession.

BSN medical has production facilities in Germany, France, Columbia, Mexico, Pakistan, South Africa and the U.S, operating all over the world via affiliates, joint ventures and distribution agents. We employ more than 3,400 people and have generated revenues of €605 million in 2009.

The General Management Committee includes:

Dr. Claus-H. Wiegel, Chief Executive

Emil Billbaeck, Group Director Marketing and Innovation

Steve Brown, Chief Financial Officer

Andreas Hogrefe, Group Director Europe

Steve Jay, Group Director Human Resources

Darrell Jenkins, Group Director Operations and President Americas

Ann Maitland, Sr. Vice President Operations
