

Physiotherapy

BSN medical is the worldwide market leader of support bandages and strapping tapes. The offer includes an extensive and high quality product portfolio of adhesive, cohesive, crepe, flat and tubular bandages including accessories. Our leading brands **Tensoplast®**, **Leukotape®**, **Strappal®**, **Lightplast pro®**, **Triple Cross®** and **Co-Plus®** are well known to healthcare professionals around the world for the effective treatment of strains and sprains.

BSN medical is further recognized for its range of orthopaedic softgoods and braces offered under the brands of **Actimove®** and **Tricodur®**. Recently FLA Orthopedics® was acquired, the leader for orthopaedic softgoods and braces in the home medical equipment market in the USA. The range covers supports and braces for all joints as well as spinal braces and orthoses, splints, foot care products and a line of diabetic shoes.
